 Time: 7:30am-5PM
 Location: Peterboro Recreation Dept
 Contact: Brian Osborne (skillbasetrain@aol.com)

CLINICS
 Clinics are offered by the NH Soccer Referee Instructional Program. Participants in all NHSA referee clinics must be 12 years of age at the time of the clinic. **GRADE 8:** This course is a 16-hour intensive training in the Laws of the Game. Graduates who also pass the 100 question exam are eligible to work recreational or travel games as referees or assistant referee up to the U-19 level. The State Referee Committee strongly recommends that, whenever possible, referees with less than one year experience not be assigned as the center referee. Of course, no assignments are made to higher level games until new referees are willing and able to work at that level. **GRADE 9:** This course is an 8-hour review of the Laws of the Game, intended for people who only want to work recreational games, or who want to enter refereeing at a lower level of intensity. Graduates who also pass the 50 question exam are eligible to work recreational games as the referee or assistant referee up to U-14 level. Grade 9 referees are also eligible to work travel games as an assistant referee only up to U-14. Please plan on attending the entire course, regardless of games, practices or other commitments. Those leaving may have to make up the time at another course offered by NHSA at an additional expense. You must pre-register for all entry level clinics in order to attend. No registrations will be allowed at the door. For the summer 2010 classes, you must contact the person shown for each class to pre-register. A check for the course fee will need to be sent to the person prior to the class to confirm your spot in the class.

To get more information about the clinic you are interested in, please contact the name for the specific course. That person will also be able to email you directions on how to register for the class you are interested in. The following information applies to all clinics: Students are expected to attend the entire course. Please plan accordingly. Course fees: \$50.00 for Grade 8 \$25.00 for Grade 9 USSF Registration fees: \$40.00 for Grade 8 \$40.00 for Grade 9 Risk Management Must complete is age 17 or over If already registered as a coach, administrator, bring copy of registration certificate Follow this link (Got Soccer) to register as a referee only If you have any questions, please contact Bob Litman, SDI (drbob20@comcast.net) or by telephone at 603-734-2349
