

Re-registration Process

2011 RE-REGISTRATION PROCESS FOR USSF REFEREES

- You will not receive a form from USSF in the mail.
 - Registration for 2011 will be electronic via US Soccer
 - www.ussoccer.info
 - Login information included in mailing from USSoccer
 - Registration begins online on August 2, 2010

 - Pay via credit card online & print out copy of receipt for presentation at In-Service session-needed to receive 2011 badge
 - Sign up for one of the In-Service sessions shown when registering
 - This is to make it easier to track attendance
 - If you cannot make any of the sessions shown, still register & attend a later session
 - The online sign-up for IST is to make it easier to track attendance - you can still register
 - Keep checking this site for sessions and then log into www.ussoccer.info for the specific session
 - If you prefer to pay by check, you may still do so
 - Contact your Area Representative for a blank form or download from www.ussoccer.com
 - Fill out and bring check for appropriate fee to an In-Service Session
 - Make checks out to NHSA
 - Regardless of registration method, if age 17 or older, make sure you are up to date on Kids Safe
 - Effective for 2011 registration, referees are responsible for any fees associated with completing Kids Safe requirements
 - Click on this link ([GotSoccer](#)) to register as referee for Risk Management
 - If all of the above are met at the In-Service session, you will receive your 2011 badge
- IN-SERVICE TRAINING REQUIREMENTS**All USSF registered referees are required to attend in-service training each year.
- At least one of the in-service classes you attend **MUST** be a LOTG changes session.
 - Referees are required to attend three (3) sessions on different topics
 - On-field sessions count for one of the three sessions
 - Multiple topic sessions count as appropriate number of sessions
 - Advanced referee training sessions performed by National Instructors will count as (4) hours of your in-service training.
- However, you still must attend a LOTG changes session.
- All Grade 7 and higher referees are required to take each year:
 - Physical fitness test
 - Written test
 - Any Grade 7 referee who wishes to use either the High School or College Physical fitness test may do so. However, you must score at least 4 points on those tests and the test coordinator must document this to the SDI in an e-mail.
 - All Grade 5 & 6 referees must take the USSF physical fitness test
 - All in-service training counts toward training required for referee upgrades. This includes:
 - Training sessions by the National Instructional program
 - Tournament training session(s) approved by the SDI
- If you have any questions, please contact: Dr. Bob Litman, SDI by e-mail at: SDI@soccernh.org.
